CORE VALUES: CATCH / CLEAN / CONNECT / COMMISSION

Follow me and I will make you fishers of men.
Matthew 4:19

Vision, Mission and Values

Welcome to Catch of the Day DC. Our primary focus is to catch people where they live, work and play; explain to them what it means to be born again; connect them to the Heavenly Father; help them grow spiritually; teach them how to experience abundant life; and commission them to return to the community to catch, save and serve others.

The ministries of Catch of the Day DC are intentionally planned to service a variety of unique needs. We assess and meet the holistic needs of children, youth, single and married young and senior adults. We provide genuine love, care, counseling, knowledge and wisdom that uplifts every member, guest and visitor.

Through our discipleship training institute; piranha prayer partners; school of evangelism; one-on-one counseling; small group discussions; biblical illumination; collaborative conversations; abundant life workshops; professional seminars; teaching; preaching; spoken and prophetic words; everyone will know what abundant life looks like and how to tangibly experience it.

No human being should ever feel marginalized, left out, left behind or forgotten. We know that the Heavenly Father values every human being. He has caring activists and passionate advocates to fight for justice, fairness and righteousness for all people. We know he cares and so does every *true disciple* of Christ.

We invite you to join **Catch of the Day DC** to get to know the Heavenly Father and experience abundant life with us!

THE FISHERS' CREED

I am a fisher of men.

I will catch one person and share my Christian faith.

I am an ambassador for Christ.

He speaks to me and I speak on his behalf.

I am a fisher of men.

Matthew 4:19 and 2 Corinthians 5:17-21
